Nothing You Don't Already Know Jan 26 2020 'Nothing you don't already know' is a brief guide to making the most of your life. It's for everyone who wants to take on the journey of fulfilling their potential and live a deeply meaningful life. In 2015, Alexander started sharing his writings about life on his Instagram page. This book holds a selection of his most popular quotes and writings that have already positively impacted thousands of people. Alexander's teachings are about living with purpose, overcoming fear, facing yourself, and making a difference. This concise handbook is full of remarkable reminders about meaning, purpose, and self-realization. The title refers to the idea that if you learn something profound, it's not as if you have learned something new. Rather, it's as if something is being unveiled to you that you have always known.

Amine Unit Corrosion in Refineries Apr 30 2020 The corrosion of carbon steels in amine units used for gas treatment in refining operations is a major problem for the petrochemical industry. Maximising amine unit reliability, together with improving throughput, circulation and treatment capacity, requires more effective ways of measuring and predicting corrosion rates. However, there has been a lack of data on corrosion. This valuable report helps to remedy this lack of information by summarising findings from over 30 plants. It covers such amine types as methyl diethanolamine (MDEA), diethanolamine (DEA), monoethanolamine (MEA) and di-isopropanolamine (DIPA), and makes recommendations on materials and process parameters to maximise amine unit efficiency and reliability.
